## Duke's Animal Haven Inc.

DATE: July 12th, 2017

### **Press Release:**

Due to circumstances beyond our control, Duke's Animal Haven Inc. will be ceasing to operate as an animal rescue effective immediately. Volunteers are currently working to find other no-kill rescues for the animals that are currently being cared for at Duke's. Animals that are still available for adoption are listed on our website. We will continue to care for the animals that we have until they are adopted or placed with another group.

The office will be closed to visitors. If you are interested in adopting one of the animals listed on our website please call (828) 734-0267 for an appointment to come meet them. You will be instructed how to proceed.

We appreciate the support from the community over the past five years. We have been very fortunate to work finding good homes for the homeless animals. We know that our community will continue to progress with the new shelter and will continue with the no-kill movement.

Again, thank you for your support.

Sincerely,

**Helen McLeod** PRESIDENT
