(Eat 5:30-6:30 Social at 6:30 p.m.)

Coffee: Third Tues. of the month at 5:30 p.m.—check calendar for location

October Director's Message

The weather changed nearly 20 degrees with a high of 69 today, but the forecast calls for highs back in the eighties for next week. Summer just doesn't want to surrender to fall just yet.

We had a good time at our gathering on Tuesday with Alvah offering a 20-question brain teaser to start the evening. It was called, "A Question of 3s." Three words were given such as, Earth—book—inch. What word

is common to all three words? The correct answer was Worm. That was one of the easier ones. Thanks, Alvah, for giving us a challenging start for the evening!

Donna gave a recap of a very successful Iowa District Rally held in Maquoketa. There were guided scenic rides on both days through Northern Iowa and Illinois. For those not riding, the rally site had games, puzzles to put together, Bingo to play, lots of snacks available, and friends to chat with.

On Saturday there were more guided rides for those wanting to see more scenery. At the rally site there was more time for puzzles, games, snacking, and fun. Around 3:30 the many raffle items that had been donated were given away followed by a very delicious catered meal at 5 p.m.

On a personal note—on our trip to the Rally on Thursday, our trike developed an oil leak from the differential, dripping onto the mufflers and coating the undercarriage. I rode the bike home on Friday morning and returned in the car. The leak turned out to be an easy fix. A short (10") breather hose that comes out the side and then up the side had sagged down onto the axle that rubbed a hole in the hose. As the oil heated up and expanded, the oil went out the breather hole and dripped down onto the axle and sprayed under the trike.
