

THE PROPOSAL - I DO

By John Lipinski

We met in a bar room, like many lover's do
You said I was purty, and I said, so are you
I watched you on the dance floor & you looked up at me
With eyes that said, I want you, don't you see

I do, I do, wanna stay with you
I do, I do, I do my whole life through
Do you, Do you, please, just say, I do
I do, I do, I'll always love, just you

A little town, in Georgia, a cold December day
You were just a little shy, but not too shy, to say
I want you to come home, with me, do you think you might
Keep me safe & warm, this cold night

What a love, what a life, there's a future, if you're my wife
A million tomorrows, all begin today
Together, nothing ever, should stand in the way

I do, I do, wanna stay with you
I do, I do, I do, my whole life through
Do you, do you, please, just say, I do
I do, I do, I'll always love, just you
