PRESIDENT'S MESSAGE

Hello to all:

It is with great pleasure that I am writing this. We are looking forward to an exciting year and I am honored to be on this journey with you. The MOST important thing in this very significant election year is that each of us must volunteer in local races and state initiatives.

Our Republican base has always been very strong, and while our numbers are less, our hearts are more. Pick a cause. Pick a candidate. Pick a day and dedicate it to your candidate or cause. Then pick a neighborhood and start working. Here are the little things you can do that will add up to a very big advantage:

Promise yourself to start with ten people. Begin with your friends. Urge them to vote in the primary. We have the advantage in the primary because while we are smaller in number, we vote in a larger percentage. Then "take a block." Meet your neighbors on your block. Educate them. Have information available to give them on whatever candidate or because you decide to champion.

I will guarantee that if even one of you becomes active, we will obtain ten votes. Ten times. . .? How many of you will take this challenge?

As Always, the best to you all, *Rita*

MEMBERSHIP CORNER

Greetings, I am honored to serve as Membership VP. I want to thank you for submitting your 2018 membership renewal. At the same time, I welcome our new members.

Our President and leaders of our party with the help of God are certainly guiding our country in the right direction. As reported to me by East San Gabriel Valley Republican Center, there has been a great number of people who have shown up to the center... not only to register to vote, but to change their party affiliation from Democrat to Republican! Knowing this, I am confident that our membership will increase.

If you have not yet submitted your renewal, please do so at our next monthly meeting. You can also send it via mail to the address below. An application form is enclosed and on our website. If you go to our website and read our newsletters, please support us by joining. We need you!

ELECTIONS ARE COMING

This is an important election year. The primaries will be in June and U.S. Congress, State and local elections in November. Many fine Republican Candidates will be on the ballots and they need your votes. At our meetings, we will do our best to show them off. Recently our Congressman, Ed Royce, announced he will not be seeking reelection. We hope you will attend meetings to meet candidates running to replace him, and those running for other seats. Each month we will have candidates at our meeting for you to meet and hear what they have to say.

For the month of April and May, we are inviting some of the Republican candidates running for Representative Royce's 39th District seat.

"Elections belong to the People. It's their decision. If they choose to turn their backs on the fire and burn their behinds, then they will have to sit on their blisters."

Abraham Lincoln
