

FOURTH OF JULY GARBAGE COLLECTION SCHEDULE

Due to the July 4th holiday some citizens of Thorsby may see the garbage collected on Wednesday. The original schedule was for the Monday collection route to proceed as normal with Tuesday's collection route to be worked on Wednesday. Due to two large water leaks some of the customers normally serviced on Monday may now also not see their garbage collected until Wednesday as well. The holiday has left the town short staffed and employees are all working to repair the leaks at present. Thank you for your patience.
