## President's Perspective

Good Day To All;

Hope everyone is staying safe and is in good health.

It has been a very quiet year for the Association due to Covid-19. All events this year including the spring and holiday luncheons and the picnic have had to be cancelled. Board meetings have been on zoom since March.

Hopefully 2021 will be a better year with a vaccine and treatment for a virus that has devastated the world's economy.

I also encourage anyone who would like to share their story about how they are coping during the pandemic, we would love to publish your story in our next newsletter. Please send any submissions to our E-Newsletter editor, [Anne Ducey](#) In the meantime, ARSCE puts out an [excellent newsletter](#) filled with news and stories about City of Seattle retirees.

With 3 board members leaving after their terms expire at the end of this year, we are looking for new board members. We are a great group that (in normal times!) plans events that appeal to our member's different interests. We are hopeful that next year the medical community will have made progress to control the virus so that we can get back to planning and enjoying events.

I want to wish everyone a good, enjoyable, and safe holiday season and healthy 2021.

Thank you for your continued support!

Tony Raimondi, RCLEA President

## Holiday Luncheon - Cancelled due to Covid-19

We are disappointed to have to cancel yet another get-together...our most heavily attended holiday luncheon originally scheduled November 18th at Duke's. We will ask Duke's for a refund of our deposit.
