

Hello region #15

Well, well, well, I just got back from the ABATE field meet in Rapid City. We had great weather, great people and great partying! First I would like to thank Pam and George Fisher for putting on such a great event. Great job guys! Secondly thanks to the ABATE board members that worked their asses off for us. Not only planning the event, but coming together to make it all work. Thirdly, Wally is da man! Wally did a great job setting up the camp ground with Dan and Chuck. Thanks for all the work guys!

Other news, we are getting ready for Stacey & Linea's birthday bash this coming weekend. That should be fun. That's after the meeting this Sunday (fathers day). We will be having a meeting, although it will be done by the time you read this. The 4th annual Mystery Poker run is coming up. The date is Sunday July 29th. We have our final meeting before this event July 15th. Please show up and help finalize this event. I really need your support. If nothing else just please just come to the event. Also a dish to share would be great. Thanks again!

I went to the freedom rally; there were some region #15 members, but not many. My state rep, Erica Geiss spoke on the capitol steps. Thank you Erica for all your support.

Our all region softball game will be October 7th. It's a Sunday. It will be in Milan at the Nature Park. The flyer will be in the next issue of rider, for now save the date.

That's all for this month. Next meetings, July 15th, Aug 19th, Sept 16th.

Peace – Love – Out
