

# *He'll Lead You on Through*

The Lighthouse in My Life

As we travel on down our road each day, the storms of life get us down  
Just remember there's not a problem in the world that He hasn't failed  
to solve

Place your cares in Jesus, and leave them at his feet and don't worry  
about your outcome.

He's guiding you as you travel on and  
He'll lead you on through.

When you meet upon an obstacle, just push it out of the way.

When you stumble over a barrier, just move it as you pray.

Remember He's gonna answer your prayers,  
And lead you through your darkness.

He's the way, the truth, and the only Light and  
He'll lead you on through.

If you're stumbling and it seems you can't find your way out,  
Just grab a hold of his hand.

He'll lead you on into the light and lift your heavy load.

He's promised to guide His children when the weight of this world  
drags them down.

Just claim His Word and remember,  
He'll lead you on through.

When you think you've come to the end of your way and you feel you  
can't go on,

Just place your hand in the hand of the One who cares and is waiting to  
lead you through.

For your battle is nearly won, when you're up and you're moving again.

He'll be your guide and security and  
He'll lead you on through.
