

Back to Back

Rachael Martin 12,1,2016

When I think of the word **back** from a spiritual view with the use of it as an adjective, describing a point in time, I'm reminded of several things. One, the song "I'm coming **back** to the heart of worship and it's all about You, it's all about You Jesus" that Christian artists have song over the years – it's one of those songs that's a "go to" for the body of Christ in worship because it brings a sense of unity.

When our focus starts to turn from self and what we want and need to what God wants and what others need, there's something that happens to the spiritual atmosphere – almost like the hosts of heaven are awaiting the Lord's movement through little ole' you and me.

Again, when I think of the word **back**, I think of it in the form of the Lord having my **back**, being my Protector and my Strength. As well... the word **back** reminds me of all the times the Lord has cautioned us and continues to warn us not to look **back**, to keep our eyes on things ahead and reach for the prize of gaining more of Christ in our life. There are so many things this one word alone, like Alicia with her research on "delight" – the Bible holds so many truths for you and me. I finish this series on the work **Back** with the following scriptures without even touching the New Testament! (Research for yourself!) And the song at the end is to remind us all that God NEVER goes **back** on His promises toward you and me.

Blessings!

Ezekiel 1:14 - The living creatures ran **back and forth like lightning.**

Daniel 4:36 - Just then my mind came **back to me. My royal honor and glory were also given **back** to me. My advisers and nobles wanted to meet with me again. I was given **back** my kingdom and made extraordinarily great.**

Hosea 6:11 - "Yet, Judah, I have set a harvest time for you when I bring my people **back from captivity.**

Joel 3:1 - [The Lord Will Rescue His People] "In those days and at that time, I will bring **back the captives of Judah and Jerusalem.**

Obadiah 1:17 - "But refugees will live on Mount Zion. It will be holy. The descendants of Jacob will get **back their possessions.**

Jonah 2:6 - I sank to the foot of the mountains. I sank to the bottom, where bars held me forever. But you brought me **back from the pit, O Lord, my God.**

Nahum 1:5 - The mountains quake because of him. The hills melt. The earth draws **back in his presence. The world and all who live in it draw back as well.**

Zechariah 8:8 - I will bring them **back, and they will live in Jerusalem. They will be my people, and I will be their God, who is faithful and just.**
