Season Win Totals Best Bets 45-28-7 (62%) the last 5 Years

1. **Syracuse UNDER 5 Wins -150.** The Orange lose their top rusher, top receiver, and their top 3 tacklers. We have the Orange favored in only one game this year and don't see how they top 3 wins, let alone 5.
2. **Wake Forest UNDER 5.5 Wins -190.** Head coach Dave Clawson usually gets the most out of his team but Wake only returns 10 starters and their best player WR Sage Surratt just opted out. We have the Demon Deacons favored in only two games this year and we don't see them winning more than 4.
3. **Kansas State UNDER 5.5 Wins -170.** K-State returns only 9 starters and has ZERO returning starters on the offensive line. We only have the Wildcats favored in 3 games this season and can't see how they top 5 wins.
4. **North Carolina OVER 7.5 Wins -140.** NC returns 17 starters led by Top 5 QB Sam Howell. The Tar Heels avoid Clemson and get ND and VT at home. We have the Heels favored in 10 games.
5. **Kansas UNDER 2.5 Wins -145.** Kansas ranks No. 126 in returning production and we have the Jayhawks listed as a 2-TD underdog or more in 9 of their 10 games.
6. **Baylor UNDER 6 Wins -140.** It's going to be tough for first-year coaches this season and the Bears return only 9 starters from last season's historic season. We only project BU to be favored in 4 games.
7. **Miami, FL UNDER 7.5 Wins +110.** The Hurricanes are much improved this year but one of their best players All-American DE Gregory Rousseau opted out and the schedule is very difficult. We project Miami to be favored in 7 games this year but 5 of those are by a TD or less and the Canes have lost outright as a favorite 11 times in the last 2 years!

HOME TEAM IN CAPS

Saturday, August 29th

FCS Kickoff in Montgomery, AL. 9:00pm ET on ESPN.

† Central Arkansas 26 Austin Peay 21. The 2020 CFB season kicks off on Saturday night on ESPN with a pair of ranked FCS teams. Preseason No. 11 Central Arkansas returns 18 starters from a 9-4 team that beat Austin Peay last year 24-16 on the road. 3rd-year head coach Nathan Brown has seen his program be ultra-aggressive with their scheduling this fall with 9 games (most in the FCS) as the Bears play a road game at UAB next Thursday night. QB Breylin Smith is back after throwing for a school-record 3,702 yards and 32 TD's last year. On the other side, preseason No. 13 Austin Peay is fresh off their best season in school history. Last year Austin Peay won its first conference championship since 1977 and made their first ever appearance in the FCS playoffs. The Governors have 16 returning starters but lost their head coach Mark Hudspeth in early July due to resignation. Defensive line coach Marquase Lovings will serve as the interim. Lovings is the third coach in 3 years for Austin Peay. We think that is a big negative especially with a shortened off-season due to COVID-19. We were expecting Austin Peay to be listed as the favorite in this game (all the early national power ratings had them favored) but the early off-shore line has Central Arkansas favored by 4.5 at Bookmaker and 5Dimes. We wanted to bet Central Arkansas with all the turmoil surrounding Austin Peay, but the books are all over it so far. Therefore, we're going to pass on the side and lean with the OVER as 42.5 seems very low for two teams that averaged 55.5 total ppg last year.
