## Let Us Help You Navigate to a Better Life!

Michele brings a powerful combination of clinical, financial, and advocacy experience. With over 26 years in the medical field, including ER and ICU, she provides a strong clinical lens when helping clients navigate Medicare Options. For the past 35 years, she has specialized in FHA Home Equity Conversion Mortgages (HECM), also known as reverse mortgages, helping seniors create more secure and sustainable financial retirements. In addition, Michele supports clients with life insurance, short/long-term care planning, and in-home care programs. Ensuring a comprehensive approach to aging with confidence.

Beyond her professional work, Michele has over 15 years of volunteer experience with Veterans and is an active member of the VFW Auxiliary, AMVETS, and the American Legion. She served on the Board of Directors for the Lorain County Office on Aging and is a longtime member of multiple Cuyahoga County Chambers of Commerce. Her extensive community involvement and hands-on experience make her especially qualified to help Veterans understand how Medicare can complement their VA benefits and improve overall coverage.

Michele lives in Northeast Ohio and is most proud of her daughter, who works in the field of forensic investigation and now resides out of state. Despite the distance, they remain closely connected through their shared love for exploring National Parks (explored many already) and more on their bucket list. Michele continues to stay active in several nonprofit organizations, fueled by her deep compassion for others and a lifelong commitment to serving surrounding communities.
