#### **SHARING:**

*Unless this report was offered free-of-charge from my website, the following applies:*

*Significant amounts of time and energy went into this website and these publications. I can't tell you how many hours were spent compiling everything. That means that this information has value and your friends, neighbors, and co-workers may want to share it.*

*The information in this publication is copyrighted. I would ask that you do not share this information with others - you purchased this publication and you have a right to use it on your system. Another person who has not purchased this publication does not have that right. It is the sales of this valuable information that makes the continued operation of Magnus Omnicorps, LLC possible. If enough people disregard that simple economic fact, these types of publications will no longer be viable or available.*

*If your friends think this information is valuable enough to ask you for it, they should think it is valuable enough to purchase their own copies or make a contribution through the website for the author's efforts. After all, the price is low enough that just about anyone should be able to afford it.*

*In all cases, it should go without saying that you cannot post this publication or the information it contains on any electronic bulletin board, website, FTP site, newsgroup, etc. You get the idea. The only place from which this publication should be available is Magnus Omnicorps, LLC's website.
