FROM THE PRESIDENT'S DESK

As American citizens, we should value our right to vote. It wasn't until 5 years ago when I truly understood what it meant for me to have the freedom to go to the polls to vote. Several years ago, my family vacationed in several countries, beginning in Copenhagen and ending in St. Petersburg. My son-in-law always arranges for a private car and driver on these trips. It works well for us, especially with my husband's mobility. I will to this day remember our guide in one of the smaller countries. She was a pretty lady with blonde hair who for some reason reminded me of Doris Day. After all this time, I have never stopped thinking of her. She spoke of her country being taken over by another country. Her children were babies. Milk was very scarce, and the shelves were empty. The streets were filled with guards. To this day, she was aware that it could happen again.

As we moved on to a larger country, we again felt the restrictions in the air. The guide was a young, attractive girl who was working hard to better her life. She was so proud that she was able to purchase a dishwasher for her family. She always said very positive things about her country. Later in the trip, I found myself standing in the Kremlin admiring all the beautiful architecture. As I was observing the architectural wonders, I remembered the Cuban missile crisis in 1962. I was young, but I was never so scared as I was for those few days. To be standing in the Kremlin was surreal. After our trip, voting and freedom took on a whole new meaning for me. As Americans, we are blessed to live in a country with the right to voice our opinions. I will never take anything for granted again.

Our November program is going to help us to remember the role that women had in our being able to cast our ballots in this 2020 election.

So we begin the month of November exercising our right to vote and end the month with a national day of thanksgiving.

Let's remember to be thankful for all that we have, and not necessarily what we think we "should" have. I am grateful for each of you and all the gifts that we share here in The Woman's Club of San Antonio.

Jane Stone
President

OCTOBER AT THE MANSION

THANK YOU, NANCY HEIN FOR YOUR PROGRAM ON THE HISTORY OF THE WOMAN'S CLUB OF SAN ANTONIO. YOU CAN WATCH NANCY'S VIDEO, "A VISIT TO THE PAST"

ON YOUTUBE: <https://www.youtube.com/watch?v=Y7WAhFky3S0&t=1s>

Did you know we had two programs at the Club in October? The American Home & Garden October program was presented by Rosemary Reyna-Sanchez, who was born on Oct. 30. Ever since then she has been interested in Halloween and Day of the Dead cultures.

Rosemary shared about some of the origins of Halloween and asked the members at the luncheon to share among us some of their favorite Halloween memories.

Rosemary in full costume for her Presentation – no simple mask for her!

Patsy is distributing the Yearbook at the October meeting. If you did not pick up your 2020-21 WCSA Yearbook then, you may pick it up now or at the November meeting.

We owe a big "thank you" to Gail Jarrett, Patte Pfeiffer and Marsha Metz for creating and editing the Yearbook. Patsy Pelton assembled and printed the Yearbooks as a gift to the Club.

L-R below: Kathy Littlefield, Gail Jarrett, Patte Pfeiffer, Gloria Tate, Angela Pfeiffer, and Susan Adamson kept it going for the Woman's Club traditional **Gingerbread House Kits**. The kits will be available again this year for \$20 each. 100% of the proceeds will go to the house maintenance & restoration. **THE TALENTED MEMBERS OF THE WOMAN'S CLUB
HAVE NEW IDEAS FOR YOUR HOLIDAYS
SUPPORT YOUR CLUB WITH YOUR HOLIDAY SHOPPING AND DECORATING**

The Boutique

The Boutique will have a table set up at the luncheon. Many new items will be available. Gifts, decorating and fun stuff are specialties. Remember the wonderful shopping brochure the Boutique Team published for Halloween? A new brochure is coming your way. Check your email for your issue. Additionally, because our Boutique has gone virtual, you may follow the link on "The Woman's Club of San Antonio" Facebook page to see what they have available. It is an open page so tell your friends to check it out! ONE HUNDRED PERCENT of the proceeds of the Boutique will be going to the maintenance of the Woodward House.

Bee Alive Crafters Round Table

This talented group has been hard at work making special holiday treats and decorations. They will not only be our hosts at the November luncheon, they will be set up upstairs by the ballroom so you may shop for all the wonderful items they have to offer. What a great opportunity to get a head start on decorating for Thanksgiving and Christmas with some very special items.

The group has earmarked 50% of sales for the maintenance of the Woodward House.

Bee Alive Crafters is a "hands on" group with members giving instructions on projects – or just learning and doing with crafts. Their first regular meeting will be in January and all are welcome to join. The current president is Iris Frances. irisann200@yahoo.com

Club Collectibles

2020 collectors' Fiesta medals are on sale now for your stocking stuffers, package wrap or decorating ideas. A vintage medal may be just the stocking stuffer or totally Texas tree ornament/wreath decoration you need for the holidays! Did you know we have vintage pins, medals and handsome paperweights going back to 1991? How about a making a wreath that you can use in December *and* April just by changing the bow/ribbons? Should someone float the idea of a Zoom class on wreath making? If you are giving a bottle of wine at Christmas why not embellish by tying a WCSA Medal around the neck with a festive bow.

Whether you wish a wreath of medals or a wreath simply accentuated with medals, your Club can help you with your plan.
