## The Focus of Jesus

## Jn 11:17-36

The primary focus of this miracle does not seem to be about Lazarus (a certain man v1). The purpose of this miracle was to bring glory to God and cause Jesus' disciples to believe, to grow in faith. It seemed like their faith was strong and they had perfectly committed to following the Lord, but Jesus knew the truth about their faith. It was not perfect and mature as time would tell. Also, Jesus would give the religious leaders indisputable proof that He was the Son of God, the promised Messiah.
