

NEW YEAR'S DOUBLE ECLIPSES

RELIGIOUS AND CIVIL BOOKENDS 2024

The purpose of this Astronomical Depiction is to illustrate how the New Year Bookend Solar Eclipse appear to be complimentary in more ways than 1. A Timeline is presented that shows the Span of Time in 2024 that included the appearance of the Christ Star, the Conjunction of Jupiter and Venus. Amazingly, it occurs in approximate Phi Ratio to the New Year Bookend Solar Eclipses. What the New Year Bookend could infer is how it is a Double Witness of a 'New Beginning' is about to take place in some sort of manner or fashion yet to be determined. Will it be or could it be the Great Reset? The New World Order after the Rapture Event?

What is also notable about this Eclipse is that it is the Bookend to the 3rd and Last Great American Solar Eclipse. It occurred on the Religious New Year of Nisan 1, April 8, 2024. It was based on the Jewish Rabbinical Calendar, as the October 2 is based on the Civil New Year, Tishrei 1. What is also occurring at this Place and Time is how the Planets of Venus and Mercury are in the overall Celestial Configuration.
