7 HEAVENLY SIGNS COUNTDOWN TO THE 7TH WEEK OF DANIEL'S 70TH WEEK?

TETRAD

ACTS 2:19-22

'I will show wonders in heaven above And signs in the earth beneath: Blood and fire and vapor of smoke. The sun shall be turned into darkness, And the moon into blood, Before the coming of the great and awesome day of the LORD. And it shall come to pass *That* whoever calls on the name of the LORD Shall be saved. Men of Israel, hear these words: Jesus of Nazareth, a Man attested by God to you by miracles, wonders, and signs which God did through Him in your midst, as you yourselves also know'.

JOEL 2:30-32

'And I will show wonders in the heavens and in the earth: Blood and fire and pillars of smoke. The sun shall be turned into darkness, And the moon into blood, Before the coming of the great and awesome day of the LORD. And it shall come to pass *That* whoever calls on the name of the LORD Shall be saved. For in Mount Zion and in Jerusalem there shall be deliverance, As the LORD has said, Among the remnant whom the LORD calls.'

YHWH'S MOEDS

In no other recorded time since Christ has history had a combined celestial phenomenon of 7 occurrences, in this case, a comet combined with solar and lunar eclipses happening on GOD's Appointed times within 5-6 months of each other. This is assuming the current Jewish reckoning of calendar used.

Are the 6 eclipses out of a total of 8 from APR 2014 to SEP 2015 to include the Tetrad that along with the Hanukah comet ISON occur on GOD's appointed times a mere coincidence?

Is comet ISON the Harbinger and initiator of this 7-fold astronomical series that lead to the 7th Week to conclude Daniel's 70th Week and initiate the 7 Seals of Revelation to include the 7-7-7 Judgment upon the world?

Nov 28, 2013 ISON Perihelion to Sep 28, 2015 4th Tetrad Blood Moon = 669 days or 1 Year 10 Months (11)

Nov 3, 2013 Hybrid Eclipse + 777 days = Dec 20, 2015 (eve of Winter Solstice – Jerusalem time)

The purpose of this illustration is to layout 7 astronomical occurrences involving comet ISON, the solar and lunar eclipses from 2013-2015. This chart shows a possible 7-7-7 countdown pattern. This countdown commences with the perihelion on Hanukah of comet ISON and ends with the last and 4th Blood Moon of the Tetrad. What is Biblically prophetic is that each of these 7 astronomical events occurs on a Feast Day of the LORD יהוה. Perhaps this is the countdown that will initiate the last prophetic week of 7 Years per some interpretations of the Daniel 9:27. This would complete the 70th Week allotted to Israel in relation to the fulfillment of the Mission of the Messiah, Jesus Christ. As the His Church is concerned, will the Rapture precede such a countdown? At the beginning, the middle or end? Many believe that these astronomical signs are heralding the convergence of both a harvesting of the Church and the final reconciliation for the nation of Israel with Messiah.
