You have been terroring me from month to month with post mail, emails, and phone calls. The tenant that was living in the home Chastre Eloi, said he lost his job several times and he stopped paying his rent. He left without paying about Eight thousand dollars and that is for the State of Florida to reimburse Me. It was a difficult year and Me had to pay me mortgage for the property from being in the red in my bank overdraft for many months and years. When Me finally get a tenant, you hijacked him and take the rent money and the security deposit from him for more than one year and then Me had to eat crushed ice for me tea, lunch, and dinner from January 2017 to 2020. Me tell you to send and let me know how much money you take from me tenant and give Me the beginning and ending date, and up to now you refused and still did not give it to Me. When Me could start paying the HOA fees, and me set up the bank payment, you refused it many times.

If Me do not have the money to pay, Me cannot go and rob the bank. Where the blood klaat pussy klaat fucking hole klaat Me mus get it from to pay you?
