We help you keep your customers coming back with designs that thrill, excite and delight.

CORE COMPETENCE

We are an onshore apparel manufacturer that provide apparel to large retailers. We help you keep your customers coming back with designs that thrill, excite and delight.

We know that on time and in full shipments are critical to retailers' business strategy. Our industry knowledge as well as in house quality control, equipment maintenance and safety protocols ensure that our operation runs smoothly with minimum downtime. Our sewing operators are cross-trained on various types of sewing machines.

We use the latest industry 3-D CAD design software that enables us to bring products to market faster and with less cost. We stand ready to join your team to increase your customer satisfaction, enhance your brand and keep your CUSTOMERS coming back.
