With premiums ranging from \$19 to \$63, there is a plan just right for everyone. We anticipate being below the LIS benchmark in every state except for Florida in 2019 — so low-income members can feel right at home in our Aetna Medicare Rx Saver (PDP). Please note that our \$0 deductible, enhanced plan has been renamed for 2019 and is now called Aetna Medicare Rx® Plus

Prescription Drug plans

We offer three prescription drug plans (PDPs) in all 50 states and Washington, D.C. And all of our PDPs are fully commissionable.

First things first

But before you add the power of Part D plans to your portfolio, you need to get certified, contracted and licensed in the applicable states, as well as appointed to sell by Aetna.

Where to begin

Complete your certification >

Get contracted >

If you have any questions, contact your upline or the Aetna Medicare Broker Services Department at **1-866-714-9301** or brokersupport@aetna.com.

PDP referral program

Through our referral program, you can earn a one-time referral payment for each referred client who chooses to enroll in an Aetna or Coventry PDP. To participate in the referral program, you must be contracted with Aetna, but you don't have to complete the annual certification process.

Portfolio highlights

Aetna's family of PDPs will give you additional opportunities in 2019. Here are some highlights of our exciting PDP portfolio:

- Aetna Medicare Rx® Saver, our basic plan, is expected to remain below the low-income subsidy benchmark in most states, offering affordable cost sharing for prescription drugs.

(PDP), in keeping with our Aetna brand.

- Aetna Medicare Rx® Select, our low premium plan with \$0 Tier 1 and gap coverage, is expanding to all 50 states and D.C. for 2019 — and will be adding mail-order delivery to its network.*
- Aetna Medicare Rx® Plus** (PDP) offers a robust formulary coverage,\$0 deductibles, low cost sharing and gap coverage.
