Some information about my puppies and how the process works.

- After approved, a \$500 non refundable deposit & signed contract are required to reserve your puppy and spot on my waiting list
- When pregnancy is confirmed & puppies are born, you will receive an email
- A puppy party will take place when puppies are 5-6 weeks of age (this is when you get to come meet the litter)
- At 7 weeks of age the litter will have formal Temperament Testing done to evaluate each puppy's temperament so that I can decide which puppy each family will receive. Matching the perfect puppy for your family is my main priority.
- Puppies come with a 3yr hereditary health guarantee if fed a raw diet & NuVet Plus Vitamins. Otherwise it's a 1yr guarantee.
- Puppies go home at 8 weeks of age and have received the following:
 - Worming with Pyrantel and Panacur
 - Treated for Coccidia with Trazuril
 - Microchipped with lifetime registration
 - Registered with the AKC
 - Vet checked with health certificate
- You will receive a puppy packet full of information on training, diet, vaccines, books, resources, etc.
