Because of the limited parking around the building itself, our neighbors across the street allow us to rent their land for additional parking. This is available to add on to our "rent by the hour" package and "half day" package for \$100 extra. This price also includes a police officer to help your guests cross the street safely. This price is already **included** in our full day packages (with up to 4 hours for police) and would not have to be purchased separately.
