ETHOS INTEGRATIONS
Information presented here is based on Ellucian’s knowledge of partner solution availability at the time of publication and is subject to change. Solutions may be in a beta, ready for testing, or GA state and may require implementation services. Customers should contact partners or Ellucian for Ellucian-branded solutions for additional details before making any purchase decision. Customers should contact partners for information on specific applications that are not listed. Integration work may be in progress although timeframes for availability may not have been shared.
Ellucian Ethos Framework
Now, integration with the Ethos platform is a key requirement for every system we purchase..
OUR FOCUS

Defining a common understanding
Connecting people and processes
Transforming data into knowledge
Creating meaningful experiences
