Notes from the teacher:

The children are doing very well in class. They have learned very quickly how a classroom works, and what behavior is appropriate for the classroom. They are also doing very well with being a good citizen. We have almost no major discipline issues, so I not send home the daily communication sheets (with the green smiley faces) any longer. If your children have a problem that I feel needs to be addressed, I will either speak with you at pick-up or send an email. The color system I use will only be for in-class discipline. If you need to communicate with me, please speak with me at drop off or pick up or send an email.

Dates to Remember
