Dear Richmond Civic and Commerce members;

CentraCare has developed an COVID-19 Update to help support our business communities during this pandemic. We are here to provide support and guidance if your business is impacted by this outbreak.

We are offering curbside testing in Paynesville near Door 19/Emergency Department entrance to our hospital. Appointments are required and can be scheduled by calling 320-200-3200, 24 hours per day.

Please reach out if we can provide help or assistance during this challenging time. We are all in this together.

Sincerely,

Brandon Pietsch, LNHA, Administrator, CentraCare – Paynesville
