

Not the Loser

You are in a spiritual battle, whether you believe it or not, and this battle has been raging since the beginning of creation.

"We do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places" (Ephesians 6:12).

I have some good news for you. If you are wrestling with something, wrestling is a sign of movement. It means you are overcoming something. Wrestling is activity even if your wrestling with being at a stand still!

An Overcomer is what you are and that's the truth! You are the winner, not the loser. You will see the victory!

Listen, to overcome something means - you have to have something to overcome! There are just some things in life that we are not immune to and there will always be a battle surrounding the purposes of God in your life. You know this! Why are you surprised that it is happening?

The Word of the Lord is right and true and we live in a society that is filled with lies. These lies have a way of diluting the truth. The world in which we live is filled with an absence of truth. When we are led by anything other than truth, it is a lie. Can I say that again? When we are led by anything other than the truth- IT IS A LIE!

Our flesh will always try to resist the truth. The lie will always try to snare or trap in us. There are days we must battle harder to hold on to what we know is true.

As I was preparing to write today's message I felt the Lord wanting to speak very specifically about where you are today. You are not a loser, you are the winner. Things may not currently be going the way you want, but the tide is gonna turn. Right now, you might feel like the enemy is attacking you through circumstances or through your mind, body or emotions- but the tide is gonna turn.

The truth is, "There are no losers in the Kingdom of God no matter what your circumstances are indicating." It's time to put the "L" to your forehead and remind the enemy he is a loser!

It's really important to understand that your actions generally follow what you believe. Today the Lord wants to shine His Light into certain areas of your life concerning what you believe. Your actions speak louder than words, so what you believe can be seen in how you act. It doesn't matter what you are faced with- Jesus has already made provision for you.

He is greater than everything or anything in this life. Friends, the Lord still lives today. He is not the great I was, but is the "Great I AM." He loves you completely and totally. His Truth is the light shining into your life, showing you who God is, how much He loves you. He wants to show you how to draw deeper in Him, and what He is really like.
