

EST. 1948

"LAKE LIFE AND LOVING IT ON OUR SYLVAN PONTOON!"

"OUR SYLVAN HAS BROUGHT US ALL JOY, INCLUDING THE DOGS..."

"Our Sylvan makes life at the lake either a whole lot more relaxing or a whole lot more fun depending on how you want to spend your time."

"The day we bought our boat and our Sylvan joined the family was one of the happiest days of our life!"

SYLVAN

2021

MAKE GREAT MEMORIES

"We love the Sylvan Life!"

"Our Sylvan creates the best family time."

"OUR SYLVAN WAS TRULY OUR SAFE PLACE TO RELAX AND UNWIND DURING THIS CRAZY SUMMER."

"We got engaged on our Sylvan!"

"This is our second Sylvan pontoon and our eighth year of trouble free fun on the lake!"

In 2020, we launched the Sylvan Marine Make Great Memories Photo Contest, where Sylvan pontoon owners had the opportunity to share their best memories captured on the water. This cover celebrates the Sylvan experience through some of the winning photography and quote submissions, as well as Sylvan photography captured throughout decades. We wanted to create something fun and bold, while also embracing our heritage. Although 2020 was a challenging year, we want to shine light on some of the positive moments – making great memories on the water with family and friends.

While many boat companies sell pontoon boats today, Sylvan has been building them since the company was founded back in 1948. For more than 70 years, Sylvan has led the pontoon boat industry with countless innovations, industry firsts and awards for quality and customer service. We pioneered the concept of performance tubes with our game-changing RPT and SPX systems that actually plane over the water to deliver incredible acceleration and sports car-like handling, and we continue to lead the way with luxurious interiors, inspired designs and the highest quality in the industry. We're proud of our heritage, and we invite you to discover our 2021 lineup.

This catalog is designed to guide you through the full 2021 Sylvan lineup. We invite you to learn what goes into making your Sylvan and explore each series in depth to find the right boat for you and your family.

Options and Features	pg. 51-54

A HERITAGE OF PERFOR

SPX performance strakes are mounted on the inside of the outer tubes and on both sides of the middle tube to deliver the tighter turning radius and faster planing that are vital for all water sports and cruising.

COMPETITOR

SYLVAN

SPX *TRIPLE-TUBE*

Our SPX triple-tube performance package with specially designed performance strakes sets the standard for pontoon performance. By delivering better lift, less surface drag, greater speed, a tighter turning radius and faster planing — all without sacrificing the smooth, stable ride that Sylvan is known for — SPX performance lets you turn quickly to pick up a downed skier or glide above the chop on a windy day.

The SPX PR25/20 triple-tube performance package is built to make the most of today's higher horsepower engines. SPX performance strakes are mounted on the inside of the outer tubes and on both sides of the center tube to deliver a tighter turning radius and faster planing for water sports and cruising.

The innovative center tube design, including PR20 or PR25 options, allows you to add more horsepower at any length for optimal performance. An integrated ski pylon, performance shield, hydraulic steering and a built-in fuel tank in the center tube come standard.

MANANCE

Choose from the planing performance and value of our twin-tube models, or step up to the enhanced handling and versatility of triple-tube pontoons.

TWIN-TUBE

Sylvan's Revolutionary Planing Technology (RPT) twin-tube pontoons plane over the water rather than plowing through it, giving you better hole shots, faster top speeds and greater fuel efficiency than any other twin-tube pontoon on the water. The revolutionary deep V profile on the lower surface of our RPT tube acts like the V-hull on a traditional runabout, rising above the waves to reduce drag and improve performance without the need for a higher horsepower engine or the additional weight of a third tube. Best of all, RPT twin tubes are 27" in diameter and designed to perform flawlessly at any length. No matter which model you choose, RPT tubes make it double the fun.

RPT NOSE CONE CONSTRUCTION

- 1 NOSE CONE STRUT
- 2 FOUR-POINT FUSION ON RISER BRACKETS
- 3 .100"-GAUGE ALUMINUM NOSE CONE
- 4 INTERNAL BULKHEAD
- 5 NOSE CONE RIBS
- 6 27" TUBE DIAMETER
- 7 FULL LENGTH KEEL

Game-changing Sylvan performance rides on Revolutionary Planing Technology (RPT) tubes. The "V" shape allows the pontoon to lift and plane across the water with sportboat-style speed and handling. In fact, you get increased top speed per horsepower and dramatically improved fuel efficiency—which is perfect for great days of tow sports and cruising.

OURS Lifts and planes across the water

THEIRS Pushes through water resistance

A HERITAGE OF INNOVATION

L SERIES DLZ BAR

Winner of the NMMA Minneapolis Innovation award, the all-new DLZ Bar allows you to easily convert your dual-facing lounge to a complete bar with four bar stools and six cupholders.

The L Series DLZ Bar comes standard with the SPX PR25 Performance Package

SIMRAD® NSS EVO3™ MULTIFUNCTION DISPLAYS

Available on many 2021 Sylvan models, the remarkable Simrad NSS evo3 multifunction touchscreen display lets you make the most of your time on the water with unprecedented power, speed and functionality. Its ultra-clear SolarMax HD screen renders an exceptionally clear view from any angle, even when wearing polarized sunglasses, so you can enjoy fingertip control of all engine functions, navigation and entertainment features. Built-in Wi-Fi provides enhanced connectivity and the ability to directly download a wide range of digital charts, including C-MAP Genesis and Lake Insight Pro, Navionics and more.

For more than 70 years, Sylvan has led the pontoon boat industry with cutting-edge technology and countless innovations that have been widely adopted by other manufacturers.

INNOVATIVE LIGHTING

Sylvan's advanced lighting options set the mood while enhancing occupant safety. Our RGB color-changing LED interior courtesy lights and lighted cup holders are as functional as they are stunning, providing gentle illumination to bring out the best of a twilight cruise. Babbito underdeck and underwater lighting makes a bold statement while improving visibility, making every ride a truly illuminating experience.

JL AUDIO® SYSTEMS

JL Audio's reputation as a leader in marine audio was built on the quality of their marine loudspeakers, subwoofers, amplifiers, and clean signal from well-engineered source units. Built to withstand the harsh marine environment while offering connectivity to all your media devices and multiple zone outputs, these systems give you full control of the sound throughout the boat.

JL Audio System packages:

JL Audio MM100

Standard on M Series

- Bluetooth Connectivity
- USB Connectivity
- Weatherproof
- Ultra Bright 3.5" Full-color LCD Display
- Separate Day and Night Themes
- Audiophile-quality Circuitry
- AM/FM Tuner
- 18 Presets Across all Tuners
- Garmin, Lowrance or Simrad Multifunction Display Connectivity

JL Audio MM50

Standard on S and L Series

- Bluetooth Connectivity
- USB Connectivity
- Weatherproof
- 2.8" TFT LCD Backlit Display
- Separate Day and Night Themes
- AM/FM Tuner
- 18 Presets Across all Tuners
- Onboard Amplifier for up to 100-watt Sound
- Garmin, Lowrance or Simrad Multifunction Display Connectivity

YOUR CHOICE OF POWER

At Sylvan, we believe in having things your way. That's why we are proud to offer our boats with your choice of power from the industry's top engine brands. Whether your Sylvan uses the industry-leading SPX triple-tube performance package or our ground-breaking RPT twin-tube technology, you'll enjoy peace of mind knowing that your boat is optimized for your engine of choice to deliver the utmost in performance, fuel economy and reliability.

We're proud to partner with the industry's leading companies, providing you with the engine reliability you need.

A HERITAGE OF QUALITY

BACKED BY PEACE OF MIND.

- Limited lifetime warranty on deck, tubes, transom and structure
- 6-year warranty on all components, carpet, upholstery and electronics
- All parts and labor
- Transferable to second owner

THE STRONGEST FOUNDATION ON THE WATER

Sylvan pontoons offer incredible performance today and durability that will last for years to come. It all starts with a solid foundation built on stronger designs, better materials and the benefit of over 70 years of experience crafting the best pontoon boats on the water. Rest easy knowing that when you buy a Sylvan, you're buying the best.

A CONSTRUCTED FOR ENDURANCE

3/4", 7-ply pressure treated plywood is through-bolted and screwed to the hat channels to create the strongest seams in the industry.

B HAT-CHANNEL CONSTRUCTION

How does Sylvan build the widest base in the industry without adding extra weight? We use strength points of "heavy" .250"-gauge (shown) and .125"-gauge (standard), 6"-wide aluminum hat channels and secure them by spreading 8 bolts across 6" deck risers. We combine that with a .190"-gauge aluminum transom, through-bolted with up to 20 bolts, and footed deck risers that eliminate tube fatigue. We're so confident that our construction is the best that we back it with a Limited Lifetime Warranty.

C FENCE AND RAILING

We back our fence and railing with foam to prevent rattling, but only after fully welding and anodizing every joint. Once a weld is anodized, it is never painted. Every foot of fence and railing is backed by a 6-year warranty.

D THRU-BOLTED TRANSOM

Sylvan transoms are made from aluminum gauges as heavy as .190" and are supported with up to 20 stainless steel bolts—all to handle today's higher horsepower engines.

E AIR-TIGHT CONSTRUCTION

Our tubes feature air-tight construction with a completely welded-in baffle at each chamber, plus a drain at the bottom. A drain plug at the rear of the tube allows water to be completely removed from the tube if necessary.

F 4-POINT DECK-TO-HULL FUSION

Every Sylvan deck bracket is fused to the tube at four points to increase the contact area with the tube. Besides increasing strength and support, four-point fusion reduces frame twist and racking in rough water and helps prevent tube fatigue.

Since Sylvan began building pontoon boats back in 1948, we've continually set the standard for quality—both above and below the deck.

SEATING OPTIONS

Sylvan offers a wide choice of seating options to suit your family's needs. From Captain's chairs to fishing seats to reclining sun loungers and more, all options feature carefully selected cushioning that provides an ideal balance of comfort and support.

SOFT TOUCH UPHOLSTERY

Sylvan's hard wearing, Soft Touch upholstery uses UV-stabilized marine grade vinyl, automotive-grade pigments and stain resistant topcoats to feel great and look great for many years to come.

FURNITURE CONSTRUCTION

Crisp, precise stitching. Neatly integrated cup holders. Concealed, dry storage with speaker covers in the seat base. And innovative designs that feature fold-out change rooms or flip-up counter space. There's a lot more to our furniture than meets the eye.

THE PONTOON OF CHOICE

EXCEPTIONAL COMFORT, LEADING-EDGE TECHNOLOGY AND EXHILARATING PERFORMANCE DEFINE M SERIES AS THE TOP OF THE SYLVAN LINE.

PAGES 11-20

Designed and built without compromise, Sylvan M Series represents the pinnacle of pontoon boat design with its inspired design, innovative engineering and unrivaled craftsmanship. It's not just our best, it's the best—period.

BOLD STYLING, EXCEPTIONAL PERFORMANCE AND FULL INTEGRATION OF STATE-OF-THE-ART TECHNOLOGY PUT OUR S SERIES CLEARLY IN A CLASS OF ITS OWN.

PAGES 21-26

Powerful. Agile. Comfortable. Distinctive. Sylvan S Series continues to set the standard for pontoon boat performance with its spirited handling and eye-popping acceleration—all in surprising comfort.

Whether you're driven by luxurious appointments, exhilarating performance, unequaled versatility or extraordinary value, the 2021 Sylvan lineup has the perfect boat for you and your family. Each one is backed by our industry-leading Lifetime +6 Limited Warranty, so you can rest easy knowing your boat is made to last.

WITH A WIDE RANGE OF FLOORPLAN OPTIONS TO CHOOSE FROM, SYLVAN L SERIES HAS THE VERSATILITY TO DO IT ALL.

PAGES 27-34

Fishing, waterskiing, cruising or hanging out at the sandbar—no matter how you like to spend your time on the water, you'll find the perfect match in Sylvan's versatile L Series.

PACKED WITH STANDARD FEATURES THAT MANY OTHER BUILDERS CALL OPTIONS, SYLVAN MIRAGE DELIVERS UNEQUALED VALUE IN A CLASSIC PONTOON.

PAGES 35-44

From water sports to fishing to cruising, the Mirage Series delivers pure boating excitement at a budget-friendly price.

M
SERIES

BECAUSE YOU DESERVE NOTHING LESS

It all started with two words.

What if.

As in, what if we left constraints aside and just built the most opulent interior on the water today? What if we loaded that interior with every imaginable amenity? What if we neatly integrated next-generation technology, bringing unprecedented levels of convenience and ease of use? And what if we put it all on a high performance chassis with an all-new body design so it drives as sweet as it looks?

Welcome to Sylvan M Series. Built without compromise. Because you deserve nothing less.

MIRAGE

SERIES

Innovation, quality and performance have been Sylvan hallmarks from the day we started building pontoon boats way back in 1948. But just as important is our focus on value. That's why every model in our Mirage Series comes loaded with standard features that other brands charge extra for. No pontoon on the water offers greater value.

MIRAGE X

SERIES

With its long list of standard features – including our exclusive SPX PR25/20 Performance Package, Performance Shield, low-profile sport console, hydraulic steering, docking lights and more – it's easy to see why our Mirage X Series is one of the most family-friendly options on the water. It's also one of the greatest values afloat. Enjoy the bold look of standard black anodized rails and deck trim paired with the Gussi Italia® Verona steering wheel, and select the JL Audio MM50 stereo with Bluetooth® and high back helm chair for added comfort and convenience.

TUBE CONFIGURATIONS

OUTPERFORM YOUR EXPECTATIONS

Sylvan offers a full selection of pontoon tube configurations, making it easy to select the perfect package to suit your boating needs. Lightweight twin tube configurations, with available performance shields and lifting strakes, deliver impressive performance and unbeatable value. Tri-toon models offer even greater performance, or step up to a PTS or SPX Performance Package and enjoy better lift, less surface drag, increased speed, faster planing and a tighter turning radius that allows you to turn quickly to pick up a downed skier. Plus, when you add a higher horsepower engine to these innovative tube designs, you'll experience exhilaration you never dreamed possible in a pontoon—all covered by Sylvan's industry-leading Lifetime +6 warranty.

TUBE CONFIGURATIONS/CHARACTERISTICS

	PERFORMANCE	LIFT	HANDLING	FUEL ECONOMY
 TWO .080" ROUND TUBES —Great for all-around boating	★	★	★	★
 TWO .080" ROUND TUBES WITH .060" ALUMINUM PERFORMANCE SHIELD —Great for all-around boating with improved water flow	★★	★	★★	★★
 TWO .080" ROUND TUBES WITH .060" ALUMINUM PERFORMANCE SHIELD AND LIFTING STRAKES —Great for all-around boating with improved water flow and high horsepower lifting performance	★★	★	★★	★★
 TWO .080" ROUND TUBES AND .100" CENTER TUBE WITH .060" ALUMINUM PERFORMANCE SHIELD —For all-around boating with improved water flow, better handling and smoother, more buoyant ride	★★★	★★	★★★★	★★
 TWO .080" ROUND TUBES AND .100" CENTER TUBE WITH .060" ALUMINUM PERFORMANCE SHIELD AND LIFTING STRAKES —Great for all-around boating with improved water flow; better handling; a smoother, more buoyant ride; and high horsepower lifting performance	★★★★	★★★★	★★★★	★★
 TWO .080" ROUND TUBES WITH THIRD .080" PTS CENTER TUBE WITH ALUMINUM PERFORMANCE SHIELD —Two full-length outer tubes, plus a reduced-length center tube to incorporate a traditional transom, creates a lighter option for better performance and fuel efficiency at an affordable price	★★★★	★★	★★	★★
 TWO .080" "V" SHAPED TUBES WITH .100" NOSE CONES —Planing performance, faster speed and lower horsepower; add performance shield for better water flow	★★★★	★★★★	★★	★★★★

PAINTED TUBE OPTION

Sylvan Marine pontoon tubes are constructed with up to .100"-gauge one-piece marine-grade aluminum. And now, with the painted tube option, you get the added durability provided by a combination of zinc chromate primer and urethane paint, which forms a corrosion-resistant surface.

SPX performance strakes are mounted on the inside of the outer tubes and on both sides of the middle tube to deliver the tighter turning radius and faster planing that are vital for all water sports and cruising.

COMPETITOR

SYLVAN

Game-changing Sylvan performance rides on Revolutionary Planing Technology (RPT) tubes. The "V" shape allows the pontoon to lift and plane across the water with sportboat-style speed and handling. In fact, you get increased top speed per horsepower and dramatically improved fuel efficiency—which is perfect for great days of tow sports and cruising.

CHOOSE YOUR OWN ADVENTURE

Sylvan builds a great pontoon, but only you can truly make it yours. We offer a wide range of optional features and packages designed to get the most out of every moment on the water. Comfort, function or just plain fun—Sylvan can help you customize the pontoon that fits your passions to a tee.

SIMRAD NSS EVO3 MULTIFUNCTION DISPLAY
Many Sylvan pontoon models are available with a touchscreen display control system, putting a wide range of features at your fingertips.

HUMMINBIRD® GPS/FISH FINDER
Add an optional Humminbird GPS/fish finder to the console to give you the advantage of a state-of-the-art sonar unit.

RPT TUBES
Better fuel efficiency and quicker planing for better performance with lower HP and a smoother, drier ride.

PERFORMANCE SHIELD
Made with tough .060"-gauge marine-grade aluminum, this optional liner improves water flow and fuel economy.

PERFORMANCE STRAKES
Get faster planing, better cornering and a smoother ride (N/A with RPT Tubes).

STEERING
Ask your dealer how you can optimize your boat's steering with premium steering options.

SILA-SHIELD PROTECTIVE COAT
Protect your tubes from the water, dirt and grime with Sila-Shield protective coating.

FULL CAMPER ENCLOSURE

HALF CAMPER ENCLOSURE

DOUBLE BIMINI

10' TOP

PLAYPEN COVER
Add protection with a color-coordinated canvas cover that easily snaps to the railing.

ENCLOSURE AND BIMINI OPTIONS

Extend your season by getting away from the elements with an enclosure. They feature our Easy Match Tab System for quick assembly, sturdy round aluminum tubing and stainless features for strength, quick release for ease of use, and solution-dyed polyester Vista canvas for lasting color without bleeding.

FEATURES | OPTIONS

JL AUDIO MM50/MM100 MEDIA CENTERS
Stream Bluetooth® audio or easily connect all your devices using this cutting-edge media center.

REAR-FACING SPEAKERS WITH REMOTE TOUCH PAD (LZ MODELS ONLY)
Optional speakers mounted on the rear of the pontoon pump your tunes toward those enjoying the water.

EXTRA TABLE KIT
Made to match the standard table, this stowable table kit with legs and base adds more room for dining, food prep and more.

30" GATE CHAIR
Add to your comfort and seating arrangement with this convenient chair that can be placed in front of the bow gate.

LOUNGE ARM GALLEY
The space-saving lounge arm easily converts to a galley with freshwater sink.

REFRIGERATOR
This space-saving refrigerator is the ultimate in stylish convenience.

CENTER TUBE STORAGE
Available with the third tube option, this practical storage area is large enough for skis, ropes and life jackets.

CELL PHONE HOLDER
Convenient cell phone holder mounted directly to the console.

COOLER TABLE
Combine expanded cooler storage with the convenience of a table top.

RECLINING HIGH BACK HELM CHAIR
For the ultimate in comfort, choose the reclining helm chair with slider, armrests and a headrest. Standard on M Series, S Series and L Series, optional on Mirage Series.

MINN KOTA® SHALLOW WATER ANCHOR
With more control and anchor options than ever before, you can anchor down from anywhere in your boat.

SPORT ARCH
This acrylic shade features a retractable Bimini top to provide protection from the sun. Optional on M Series and S Series models.

EXTRA WIDE FOUR-STEP LADDER
Stainless steel ladder provides easy entrance back into the boat.

FOUR-STEP TELESCOPING LADDER
Enjoy the convenience of this telescoping four-step, stainless steel ladder.

SKI PYLON
Jump into water sports with a removable ski pylon that's bolted through the deck for maximum strength.

SKI TOW BAR
This incredibly rugged and very stylish tow bar gets the rope above the motor and wake and will pull you anywhere you want to go.

UNDERDECK SKI TOW
Our range of optional watersport accessories includes this space-saving underdeck mounted ski tow. Available only on Mirage Series. N/A with Full-length Center Tube or Extended Deck.

UNDERWATER LIGHTING
LED underwater lights illuminate the water for night cruising or fishing.

BABBITO UNDERDECK LIGHTING
Make night cruises more special than ever with cool blue LED underdeck lighting.
