

Permission Required

I worked for a company where you could not gain access to certain areas without permission. There was a protocol in place that no one can access those areas without permission. Permission was picture ID badge giving me access.

Did you know the enemy cannot gain access to areas in your life without your permission. Ephesians 4:27 says, "Don't give the devil any opportunity to work" (GW). That means anytime you agree with something that contradicts God's word, you've just given the enemy an opportunity to have access.

Your life is like that building I worked in with multiple areas to it. When you doubt what God has spoken to you, you've just given access to the wrong thing. When your words tear down another person, you've just given the enemy access. When you walk in fear, you've just given the devil access. Are you seeing this?

However, when you submit or trust in God's spoken Word , you've just given God FULL ACCESS. When you pray for others who despitely use you, you've given God access again. When you say no to temptation, you've given God access.

The Lord wants you to deny permission to things that are NOT of Him and as you do, God will gain more and more access in your life. When God gains more access in your life, more of God can be seen in your life.

God is not mocked: for whatsoever a man soweth, that shall he also reap (Galatians 6:7). It's a law of life and a great message of the Lord's law concerning what we give access to. Whatever you give permission to will have access.

If you deny permission they can't, and they cannot produce stuff later on that can hurt you!!! The law says, if you give access to godly principles and heavenly purposes, they will produce things that are godly and good!

Do you see this? You were created for a purpose. God does have a plan for your life. He is going to use the circumstances to bring Him glory and you are going to OVERCOME.
