## HSV ANGLERS Presidents Speech

All RIGHT!!! The best time of the year is upon us. The dog days of summer are slowly leaving us and the cool days of fall are ahead of us, bring the fish back to an active state of activity! It is an honor and a pleasure to be the acting president of the HSV Anglers Club. As we head back to our tournament schedule, let's make sure we keep a mindset of safety being first. Dave and I have talked and we will present at the first club meeting in September numerous safety factors that need to be in place and the awareness of continuous focus on safety!!! Looking forward to getting into the tournament schedule as we head into fall! Please take the time and effort to keep safety and fellowship part of our goals and focus as we head into the 2024 fall!!!

Bob Walker

HSV Anglers President
