About Us

Camp Wesley's history spans almost 90 years. As early as 1936, a small group of Christians erected the first arbor on the property of G.L. Rogers in rural Rowan County, North Carolina, with the first official camp meeting held August 1-10, 1947. Through the years, parcels of the current site of Camp Wesley began to be purchased and buildings began to be built. We have been blessed with many spirit-filled, godly men who served as presidents, leading us with wisdom and discernment. We look forward to many years of serving in our community.
