Apogee Security & Investigation Services, LLC is DBE certified in both Georgia and Florida. Our security professionals are dedicated to the security and protection of keeping clients and property safe 24 hours per day 7 days per week. We specialize in securing construction job sites, preventing injuries and equipment loss, office buildings, warehouses, and responding to security alarms. Our security officers are trained by retired law enforcement experts at the Law Enforcement & Security Specialist Academy in Norcross, Georgia, and the DJSFA in Sarasota, Florida. We also provide customer service and security for gated communities, golf & country clubs, courthouses, and airports. Our investigations division specializes in brand protection and undercover operatives for businesses, client infringement rights protection, and loss prevention for department stores.
