

Infinity Solutions PF-5 Paper Folder

The Infinity Solutions PF-5 Paper Folder is a durable, easy-to-use folder with a processing throughput of up to 20,000 forms per hour. We have designed the PF-5 to handle 8½"x11" as well as 11"x17" paper. The PF-5 is capable of handling all of your paper needs, including glossy paper. It is very rugged with our traditional bottom feed technology. The Infinity Solutions PF-5 is completely manufactured in the United States, and its durability is unmatched in the industry.

Performance under pressure - often copied never duplicated.
