DESCRIPTION: The 49" Darton Magnum was Darton's response to the Bear Super Magnum 48. The designs are almost identical. I've owned both and they perform very similarly. This reconditioned bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes; No chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. Decal is in very good shape. Overall, this is a really nice bow in excellent condition for its age. This bow was put to a stress test (held at full draw for 16 hours to make sure the old glues still held and no stress cracks developed.

Comes with a new rug rest and side plate as shown, and a new string.
