School Attorney

Dear Parents/Guardians:

In compliance with the Commissioner's regulations, Section 155, our District has scheduled its annual severe weather sheltering drill and go home early drill for Wednesday, November 22, 2017. Classes will terminate at 2:00 P.M. We will use this time to first test the severe weather sheltering drill according to our District's *Emergency Management Plan*.

At the conclusion of the sheltering drill students will then be dismissed in accordance with the annual go home early drill, at 2:30 PM. **Students will be dismissed from the blacktop at 2:30 PM. Please note this is a change in dismissal times from previous years. Parents must be there to pick up their children at 2:30 PM.**

Use of the equipment on the blacktop is not permitted during the drill.

No students will be allowed back in the building, with the exception of those students attending the After School Program.

Thank you for your cooperation as we implement and test part of the District's *Emergency Management Plan*.

Sincerely,

Edward M. Fale, Ph.D.
Superintendent of Schools,

jmo
