

## ***Are you ready to be a FOUNDATION ALL STAR?***

**Are you READY? Ready to have fun? Ready to raise money for students? Ready to play ball!**

As you may have heard, the Foundation for Boyertown Education is hosting a Harlem Wizards game on **Saturday, January 20, 2024 at Boyertown Senior High Bear Gym**. All players will receive a Foundation All-Star T-shirt for the event. The event is a comedic take on a regular basketball game, which communities and families can enjoy together. We have been told that those who play against the Wizards have a great experience and a lot of fun. We have invited you to join the team who will attempt to beat the Harlem Wizards or at least have a ball trying. A little competition is good for the show but ultimately, we want people who don't mind breaking a sweat and having a good laugh.

In case you didn't know, the Harlem Wizards are a professional entertainment basketball team. They have toured the world with a team comprised of players with illustrious college and professional basketball careers. Each player brings their unique talent and humor to the court. Don't worry though, they will only have 6 or 7 players against our squad of 20+!
