Camp 5 is a summer camp that is designed to provide a fun, loving, Christ-centered, unforgettable week to disadvantaged children. This camp exists solely to provide the campers with a connection between a positive memory and Jesus. Everything we do, from planning to execution will be done with this goal in mind.

Dear Volunteer,

Thank you so much for your willingness to serve the children of Camp. This camp would not happen without the dedication and sacrifices of people like you, and we are eternally grateful for this leap of faith that you are about to take.

The following pages are required to be completed by **all** volunteers that attend Camp 5, regardless of the capacity you will be serving in or if you have previously served. In addition, once your application has been accepted we will conduct a brief interview of all volunteers who will be in direct contact with the children. We will also be conducting two training sessions for ALL volunteers. **It is mandatory that you attend at least one of these training sessions.**

This camp is a very challenging opportunity and it is an experience that will, no doubt, forever change your heart. Please understand that this camp is not for everyone and that's ok. During the training session we will have more details of exactly everything that Camp 5 entails, but if you would like more information prior to this date please contact one of our Camp Directors.

Again, "thank you" just does not express the amount of gratitude we have for you. Our prayer for you is that God will use this camp to open your heart and mind to a hurting world who needs Christ, and that you will experience abundant blessings from Him as you serve Him through serving the least of these.

Sincerely,

Directors of Camp 5

Volunteer Applications

Dear Volunteer,

As expected with any service involving children, we are selective in our choice of volunteers. Our goal is to provide a safe and encouraging environment for the campers. A background check is required for all volunteers to ensure this environment. This check is strictly limited to criminal activity, and does not in any way check financial records such as personal credit history.

The background check consists of three reports: the U.S. Criminal Indicator report, the Sexual Offender Registry, and a Social Security trace and address locator. We want to assure you that our intent of these reports is to both protect you and those in our care.

We also wish to assure you that the methods we take to protect your information are very important to us. Once the report is generated, the information on your release form and the reports are stored securely. We do not release this information to anyone and you are always welcome to ask for a copy.

To help with camp cost we have a \$10 processing fee for background checks. Payment will not be required until volunteer training

Thank you.
