RE: LAUNCH OF GEORGIA INSURANCE MANAGEMENT SYSTEM (GIMS)

The Office of Commissioner of Insurance and Safety Fire (OCI) has launched the Georgia Insurance Management System (GIMS), a brand new one-stop site providing easier functionality for name approvals, staff adjusters, premium tax reconciliation, auditing responsibilities, and credit calculations.

Testing was recently completed for Staff Adjusters and Emergency Adjusters and this functionality will be live beginning **Monday, November 15**.

You can access the GIMS site at www.gims.oci.gov.

GIMS initially launched for Name Approvals on October 28, and OCI expects remaining modules to be live in the near future.

For questions or concerns with this new system, please contact our office at (404) 656-2070 or (800) 656-2298.
