Description of Alteration Request (add extra pages as needed)

Provide a complete description of the changes desired. Give full details to include purpose and/or reason, type and color of materials to be used (color swatches), location on property. If the change is for a structural change, ground planting, fencing, landscape work etc., a detailed drawing, sketch or architectural plan is required showing the changes relative to the property lines and existing structures. Include the proposed start date and completion date.

Baltimore County Permit Approval Obtained (if applicable): Yes _____ Date: _____

Acknowledgement of All Adjacent Property Owners

Acknowledgement indicates an awareness of the intent only and does not constitute or indicate approval by adjacent property owners. The ACC is not bound by the comments, approval or disapproval of the adjacent property owners; however, any input will be considered.
