

Board Member Compensation, Expenses, and Insurance

Members of the Board shall serve without compensation. However, as permitted by law, Board members may receive mileage to and from Board meetings at a rate established by the Board or, to the extent these expenses are paid by the individual school districts, at a rate established by the district that the Board member represents. Additionally, the Board may pay travel expenses for members attending meetings if not compensated by the local board. For mileage and expenses which the Board, rather than the district that the Board member represents, is to pay, the mileage rate shall not exceed the maximum allowed by law for state employees. Appropriate receipts shall accompany claims for expense reimbursement.

The Board shall provide liability insurance coverage for its members in order to protect them from financial loss arising from claims filed against them while performing their duties as a Board.
