

Bash for Cash Youth Class 2020

10/29/2019

Rule Questions Call:

Billy Estep: 567-230-3608

Jeff Fatty Clark: 614-753-2393

Tim Clark: 740-272-1188

This class is for the kids AGES 12-16 without a DRIVERS LICENSE.

Let them learn how to strip & build a car to the rules, along with being a good sport whether they win or lose.

General Rules:

- Upon arrival a notarized parental consent form must be filled out or you will not be allowed to participate.
- One parent must be present with valid I.D. A notary will be present to notarize the entry forms.
- **A PARENT OR ADULT MUST RIDE WITH THE DRIVER.**
This is for instructional purposes as well as any possible emergency situations.
- Child must wear a fire jacket.
- Must run a roof sign on car, that does not reinforce the car at all.

Car Building:

1. Cars must remain stock unless specified in these rules. All cars must be factory front wheel drive 4 or 6 cylinder and wheelbase must not exceed 113".
2. You must strip the interior 100%. Leave the passenger seat for the passenger. You can leave the dash, but completely remove the airbags and power charge.
3. Key Start Recommended.
4. Drivers Door & Passenger Door may be welded all the way around on the outside. Only the Drivers Door & Passenger Door may be reinforced on the outside from door seam to door seam.
5. All other doors may be wired shut with #9 wire: 8 places per seam.
6. Deck lid and/or hatch may be wired for 9 wire in 8 places: sheet metal to sheet metal only.
7. No tucking or wedging of the rear of car is allowed.
8. Bumpers must be factory compact car bumper only. You may weld bumper all the way around at the mounting point of the frame. You cannot add bumper shocks to a car that does not have them from factory.
9. You must use 2 places in windshield area for 9 wire or 3/8 chain from roof to cow of car to prevent hood from coming into cabin of car.
10. Rear Window Bars are NOT allowed.
11. Battery must be mounted inside the car; all parts of battery must be covered with a nonflammable material.
12. Any tire permitted. Remove wheel weights any tire permitted. No studded tires permitted.
13. You must have a 4-point cage for driver and passenger's safety. Reinforcing the driver's door and passenger door is highly recommended. 12 x 12 inner door plates and No larger than 6" diameter pipe. A roll over bar strongly advised. You may also have a gas tank protector no wider than 24".
14. Fuel Tanks
THIS IS IMPORTANT:
Any fuel system we feel that's unsafe will not pass. Stock fuel tanks can be left in if they are mounted in front of rear axle. Stock gas tanks are NOT allowed to be bolted in your back-seat area. Tanks must be made of steel a 4 point hold down bolted to floor with a minimum of a 2" washer on the underside of car. All hoses must be double clamped at all connections. Electric fuel pumps must be operated by a switch that the passenger can shut off in case of a fire. We will paint switch during inspection. Stock systems will simply use the key.
15. All cars must remain factory stock unless otherwise stated in rules above. If you have questions, please call the officials listed above.

JUDGES DECISIONS ARE FINAL
