

Desoto Central Jaguar Baseball

Dear Community Partner,

As the head coach of DeSoto Central High School Baseball, I want to personally thank you for taking the time to consider supporting our program. We are proud to represent a school and community with a rich tradition of excellence—on the field, in the classroom, and in the lives we impact through this game.

Each year, our program relies heavily on the generosity of local businesses and families to help provide the resources necessary to maintain and grow that tradition. From equipment and uniforms to facility upgrades and travel costs, your sponsorship plays a direct role in giving our student-athletes the best possible experience.

Jaguar Baseball has a proud legacy, including multiple state championships and division titles as well as several former Jaguars playing at the next level. But more than that, we are committed to building young men of character—instilling the values of **effort, accountability, selflessness, and competition** in everything we do. It takes more than coaching and talent to sustain this mission—it takes community.

Enclosed with this packet, you'll find information about our sponsorship levels and the benefits your business or organization will receive in return. We hope you'll consider joining us in continuing to build something special—not just for this season, but for future generations of Jaguars.

Thank you for your time, your support, and your belief in what we are doing. Please feel free to reach out to me directly with any questions or ideas. We look forward to partnering with you.

With gratitude,

Brian Lewis
