Hello Neighbor,

Let's take a stroll down memory lane. Remember when kids played all over the neighborhood and were friends with everyone in a 6-block area? And as parents, you trusted each other to keep an eye out for all those kids? And remember how the neighbors would stand around in each other's yards or on the street corners and chat about everyday life?

You knew when your neighbors were going on vacation and you kept an eye on their house for them while they were gone. And you knew who was sick or not feeling right, and you checked in on them to see if they needed anything. You offered to help the seniors with little projects when you knew they couldn't do it themselves because it was the right thing to do....

Then, fast forward a couple decades.... Life got really busy, both parents started working all day, kids quit playing outside, and crime began to rise. Suddenly you didn't know who your neighbors were, and you wouldn't let the kids play outside the yard. People quit depending on each other and lost that trust and respect for each other.

We want to change our neighborhood back into a safe and caring environment that we can raise our children in. And that our seniors feel safe in. Wouldn't it be reassuring to know that your neighbors are looking out for each other and we are taking a stand against crime on our streets?

We have created a Neighborhood Watch Group! "Neighbors helping Neighbors"... And we want to invite everyone to join in and help us succeed in keeping us safe! We need your thoughts and opinions and encourage you to take an active part in our meetings. It only works when we get up and do it! We are starting a texting tree to alert people of things happening in our area. We get updates from the Greene County Citizens on Patrol that let us know about crime happening in our immediate area. If you would like your name on this list, please let us know. It is still in the building stages at this point.

We also have some thoughts about putting together some social gatherings in the neighborhood, having a day of caring, and events to help celebrate various holidays. Do you have an idea that you would like to see happen? Then let us know.

Please reach out to us and let us know you want to help. We will be scheduling another meeting in the near future and would really love to see you there. There is additional information on our HOA website. You can email your request to receive more info to: watch.crownmeadows@gmail.com or contact 417-827-7591 and leave a message.

We look forward to hearing from you and making a difference in our neighborhood.
