

EFFECTIVE JANUARY 01, 2012;

*A National Board for Certification of Orthopaedic Technologist, Inc. issued Photo Certification ID Card is **REQUIRED** to identify “OTC®” or “OTC®, OT-SC™” Credential Holders.*

ID Photos Requirement: 2 Color professionally taken Passport Photos are to be submitted.

***No photos are returned to you.**

In order to identify the certificant, and to issue an ID Certification Card, **2 professionally taken color passport photos are required.** ID Photos can be taken in your local area and need to be sent with this form for processing. As you can see by the illustration given, ID Photos have certain requirements and must be professionally taken. **When your photos are taken, you will receive two identical photos to submit. Both photos are to be sent in for processing, with your name and the date taken printed on the back of each photo.**

PRINT YOUR LEGAL NAME ON LINE ABOVE.

Attach 1 Passport Photo above taping from the back.

DO NOT TAPE OR STAPLE THIS PHOTO FROM THE FRONT, OR OVER YOUR FACE. ATTACH THE 2ND PHOTO WITH A SMALL PAPER CLIP TO THIS FORM.

Return this form with BOTH passport photos to:

**NBCOT, Inc.
Attn: PHOTO ID
4736 Onondaga Blvd. #166
Syracuse, NY 13219-3304**

BOTH PHOTOS WITH THIS FORM MUST BE RECEIVED AS SOON AS POSSIBLE TO HAVE YOUR CARD ISSUED AND MAILED TO YOU FOR CREDENTIALING ID PURPOSES.

*****ID Cards are not produced by our office. Cards are sent back to our office from the producer to be proofed for content, and then mailed to you. This may take 6-8 weeks from our office receiving your appropriate and accepted photos. Please do not send photos printed on “standard photo paper” which you produced on your own. Such photos are not acceptable.**
