

Jesus and the Alliance of Elohim

I have written a great deal about **the original Jesus being a master teacher and interpreter of the Torah and the Prophets** (two sections of the *Tanakh* [Hebrew scriptures]). Explore subjects related to the canonization of Jewish and Christian so you will be able to fully grasp the meaning of the previous sentence.

In Matthew 25, when Jesus said, “*Come you blessed of my Father, inherit the Kingdom prepared for you from the foundations of the world,*” he was referring to the Alliance Elohim made with the first two humans. **BHC Linguistic Models** made it possible for us to spot very important clues embedded in the Hebrew text of first ten chapters of Genesis. Since we have a very different language and culture, we must use resources that incorporate knowledge of Ancient Near Eastern culture in 500 BCE. Below are a few key ideas that we discovered.

1. Humans in other ancient cultures were made to serve their gods. In Genesis, humans were created to benefit from Elohim’s Creation.
2. Humans are entities connected with nature and Elohim.
3. Elohim created the ADAM with an Earth soul and His Spirit. The ADAM is created in His Image – male and female are aspects of His of His Spirit.
4. Elohim gave the ADAM an Alliance to guide them and teach them Humans how to be His Co-Representatives to all life on Earth.
5. Jesus taught the Kingdom of Elohim Alliance to people living in Judea and Galilee between 27 and 30 CE.

The Temple scribes in Jerusalem understood the things above. Hillel, the head of the Sanhedrin, was one of the most knowledgeable teachers of the **Kingdom of Elohim** during the Late Second Temple Period. Hillel’s teachings influenced the family in which Jesus lived and that he based his **Kingdom of Elohim Movement on the Alliance in Genesis**.

- *Jesus taught members of his movement how to live as Co-Representatives of Elohim!*
- The Alliance of Elohim is for all people, therefore, there are no “**Us vs. Them**” relationships.

BHC Exploring The Bible Guides

- All people are part of nature and need nature to survive and thrive.
- All people are part of “The Image of Elohim” and His Spirit is with each person.
- Elohim exists independent of the Creation.
- Elohim is the source of all life.

In order to understand the meanings of the things above, and much more, humans must be mentored and taught Elohim’s Wisdom – *it is called “The Will of Elohim.”* It is not a religion, but many religions have Scriptures in which His Wisdom is written. It is important to remember that **Scriptures plus an Experiences in Nature must be taught together.** Below are the beginning steps for making the “**Wisdom of the Elohim**” part of your life.

1. Sync your schedule with the rhythms of nature.
2. Incorporate rituals that put you in sync with others spiritually.
3. Remember that Elohim is an entity that is unlike humans, and compared with all else, is incomprehensible. But many of His actions can be seen and understood.

A key lesson from Elohim’s Alliance is that He communicates with humans through the Temple Wisdom Scroll and other Sacred Writings. We are to communicate with Him collective by reading and praying His Wisdom together. We can also pray as individuals or just talk to Him; but ritual collective prayers are essential. Jesus taught his members a ritual collective prayer to guide and remind them daily of their relationships with Elohim, the ADAM, and their families.

1. Pray to “Our Father.”
2. Pray that “Our Father’s Alliance” will done on Earth today.
3. After praying, do what you can to answer that prayer.
