

Torrey Pines Golf Adventure

La Jolla, California

June 4 – 9, 2023

Event Details:

Most golfers are aware that Torrey Pines Golf Course has been a regular stop on the PGA Tour for a long time (since 1968). Many golf fans remember that history was made at Torrey Pines in 2008 when Tiger Woods won the U.S. Open and his 14th major in a playoff over 5 days of competition. And last year when Jon Rahm made a birdie on each of the final two holes to become the first U.S. Open champion from Spain and win his first major championship. Most of us have watched the pro golfers on TV as they hit their shots with the majestic Pacific Ocean as a back drop. It's a wonderful setting for golf and certainly worth a visit.

It's not often that a golf course can over-shadow a Five Star Resort, but many golfers don't realize how nice the Lodge at Torrey Pines actually is. Overlooking the world-renowned Torrey Pines Golf Course with views of the Pacific Ocean, the AAA Five Diamond rated resort exceeds expectations with world-class dining, a full-service spa and unprecedented service. Guests of The Lodge can take advantage of the near perfect weather while hiking the Torrey Pines State Reserve, golfing on Torrey Pines Golf Course or relaxing at the spa. The Lodge offers 170 comfortable rooms that are a great place to unwind and relax after a fun round of golf.

The Lodge at Torrey Pines is only a 20-minute drive from the San Diego International Airport and when you arrive doormen welcome you in traditional kilted Scottish attire. Our SFGA participants will be sure to enjoy their upgraded spacious accommodations that offer golf course and ocean views in the distance. The Lodge is ideal for golfers as the First Tee and Golf Shop at Torrey Pines are a few just steps from the Lodge - it's so convenient. This is a trip you won't want to miss!

Accommodations:

The Lodge at Torrey Pines offers 4 room types, Accessible, Signature, Reserve and Palisade. The Palisade Rooms are the most spacious of the 4 room types and offer spectacular views overlooking the world-famous Torrey Pines Golf Course and the California coastline in the distance. These are the rooms our SFGA members will stay in during our visit. Each Palisade guest room is approximately 620 square feet, all with in-room fireplaces and most with balconies. Accommodations include one king-size bed or two queen-size beds appointed with Egyptian cotton linen and quilted duvets. Comfortable earth tones are used throughout -- carpets in olive and tan; beds with crisp white bedding and floral print bed-skirts and wooden furniture throughout. Brown leather seating and Tiffany lamps elevate the spaces. The big bathrooms have either shower/tub combos or separate walk-in glass showers and tubs. Plush robes, light-up vanity mirrors and luxury toiletries are standard. All rooms have work desks, flat-screen TVs, Bose wave stereo systems, coffeemakers, and stocked

minibars. You can also enjoy a complimentary daily newspaper, daily turndown service and 24-hour room service is available.

The Lodge at Torrey Pines provides an unforgettable experience at a world-class resort hotel. Throughout your stay, enjoy a wide variety of luxurious resort amenities that take an ordinary stay and make it extraordinary. Whether lounging by the pool, taking a guided hiking tour through Torrey Pines State Reserve or treating yourself to a spa day, find complete contentment when you stay at this five star resort. Best of all - for golfers, it's all located just a few steps away from 36 of the most scenic holes of golf in southern California - Torrey Pines!

Golf Courses

Torrey Pines Golf Course

Torrey Pines offers two 18 hole golf courses, the North and South. The North and South courses were designed by William Bell Sr. and seen to their completion by William Bell Jr. in 1957. Heralded golf course architect, Rees Jones, redesigned the South course in 2001. His personal touch brought new life to the championship elements of the already challenging course. The rolling bent grass greens, sweeping ocean views, and overall boundless beauty is matched only by the history of the renowned golf destination. Torrey Pines hosts the annual PGA TOUR Farmers Insurance Open and Junior World golf tournaments. After hosting the 2008 U.S. Open (won by Tiger Woods). The USGA returned to Torrey Pines again in 2021 (Jon Rahm won). Staying at the Lodge at Torrey Pines allows SFGA access to preferred tee times. We'll play both courses, the North and South.

Torrey Pines North Course

In 2016, the North Course underwent a \$12.6 million improvement and redesign by noted golf course architect Tom Weiskopf. Featuring fewer bunkers and larger greens than before, the North Course has also switched the front nine holes with the back nine, making the famous ocean views prominent to golfers as they finish their rounds. The course is challenging with breathtaking views of the ocean, La Jolla cove, cliffs and undeveloped pacific areas.

Torrey Pines South Course

The South Course is often considered the more challenging of the two layouts at Torrey Pines due to the fact that it has hosted two U.S. Opens. It is also plays host to the final two rounds of the rounds Farmers Insurance Open. Playing the course, walking the fairways and putting the greens that so many of golf's greatest professionals have played over the years is considered a bucket list wish for many golfers.

What makes this course unique is that San Diego county owns and operates Torrey Pines. This means locals can play either Torrey Pines course for a low price while out-of-towners will have to pay a high green fee. Package the experience with a stay a 5 star lodge and we hope you'll think it's worth it!

Del Mar Country Club

Del Mar Country Club is the exclusive private country club in Southern California. As guests of the Lodge at Torrey Pines we have an exclusive opportunity to become members for the day and experience this lovely golf club. Tucked away in a quiet, secluded valley of Rancho Santa Fe, the Joseph Lee designed golf course at Del Mar Country Club is a fitting contrast to the oceanside layouts at Torrey Pines. Winding around bubbling streams, crystal lakes, and cascading waterfalls, Del Mar Country Club's championship course is as mesmerizing as it is challenging. Integrated naturally into the surrounding terrain, the course unfolds with five different tee settings, ensuring an

enjoyable experience for all levels of play. In addition to its engaging layout, the course's fairways and greens are noted for their impeccable surfaces. This ensures that, no matter when you step up to the tee, the playing conditions will be perfect.

In order to provide the ultimate private club experience, Del Mar Country Club has adopted a 'NO TEE TIME' policy, so that members may show up and get started whenever they are ready – just one of the many reasons Del Mar was named "Best Private Course" by Ranch & Coast magazine.
