Meet Christine

I have been greeting New Homeowners in the Springwoods area for almost 4 years now. It's been a wonderful experience for me to get to know all kinds of people from all over the world. We've chatted about life, God, husbands, children, their culture, favorite foods etc..

I have been given, jewelry, laundry soap, lunch, and prayer. I once had a parrot nibble on my earrings as I was sharing our Welcome Basket info. The children enjoy receiving the lollipops & coloring books I give them. I've been invited to parties & many have invited me back to visit with them again. The homeowners enjoy receiving important information, current maps of the area, business coupons/gifts and attractions.

It's way more than a job for me. I love putting a smile on their face, answering any questions that I can, and encouraging them as they adjust to their new community.

We have a terrific boss Trisha & our team is great! We all work to support & encourage one another as we go into each of our territories to Welcome our New Homeowners!

Thank you for the opportunity to serve You in the Community!

From a Homeowner

"Thanks so much to you, Norma & Lone Star Greeting Service for the \$25 HEB gift card. It really made my day! That was my first venture to HEB...

Thank y'all for your thoughtfulness."

~Mike and Fran

We love our new homeowners! Every month we have a drawing for a gift card to give to one of the wonderful families we are privileged to visit. Feedback like this makes us want to work even harder to make sure our homeowners feel "Welcomed to the Neighborhood!"

Enjoying homeowner's humor!

They weren't home. I left a door hanger and noted on it "Geaux Saints!"

I received a text that evening from the homeowner: "Names, address, Go Cowboys!, swing back by tomorrow after 4:00 if you are able."

I arrive and the wife asks me, "What does Geaux mean?"

~ Sherri, Spring Rep.

Welcome Aboard!

We'd like to give a big warm welcome to these new businesses that we have partnered with recently. We are so excited to be working with you! Our new homeowners will be blessed by your welcome gifts and appreciate that they have a trusted business that they can turn to.

Memorable Visits

"I would have to say that the appreciation from some of these new homeowners is touching to me. Some are not from the area and really have no clue where to start with some things. I also had someone from Brazil, who spoke Portuguese. I was able to use my google translate and while it took longer than the average presentation, she was much appreciated. Turned out she was the nanny and the homeowner came up at the end to greet me, but it all worked out just fine."

~Kimberly, The Woodlands Rep
