NOTE: Each district may adjust the agenda to the activities they set up. It is up to each district host to finalize the agenda for District Conference.
The purpose of the District Conference is to engage SkillsUSA Members in leadership opportunities, networking with business partners and fellow district members.

During the district conference, students will be part of the Kansas Delegation election process in electing district officers. Those choosing to run for district officer must complete the District Officer Application and a one-page resume upon arriving at the District meeting. All signed applications along with a one-page resume, will be collected during check in.

Running for an office of SkillsUSA can be one of the most rewarding experiences for a student. Students must come prepared to give a speech before the district delegation. The speech should include an introduction about one’s self, how one has served SkillsUSA as a member, what career technical program one is enrolled in, and why running for an office in SkillsUSA is important.

NOTE: Due to the status of running for district office, we will only accept complete applications. (District Officer Application + One-page resume)

District Officer Responsibilities require:

- attendance at the Fall Leadership Conference in October, where one will serve as a voting delegate in electing State Officers and lead district meetings.
- attendance at the Mid America Conference in October, where one will engage in the Program of Work leadership training for local, district, and State Officer teams.
- Attendance at the State Championship Conference in April, where one will assist the State Director in running the conference as part of the Courtesy Corps team.
