March 18, 2020

Greeting in the Name of the Most High,

As we are all aware there has been a global spread of COVID-19, coronavirus, and it has become a hot topic for both our nation and community. There have been numerous sets of instructions given out by our government officials in regards to limiting social gatherings and interaction. This virus has been declared a global pandemic and they have not yet been able to discover its means of transmission as of today.

After prayerful consideration the Pastoral Staff as well as the members of Session have come to the decision that we will not be holding regular physical services for the rest of the month. We encourage all members to adhere to all guidance that is being provided by the Centers for Disease Control, CDC.

In light of this we have made strides to ensure that our congregation is still able to be taken care of spiritually. We have recently updated our website, <https://www.beaumontpresbyterianchurch.com>, and it now contains audio recordings of past sermons that you can access at any time. We are also working on the ability to livestream a Sunday message on our Facebook page (link to Facebook page located on website).

For those that are looking for means of communication with others we would recommend a group devotional/prayer meeting. This could be done via phone calls, email or a video streaming service such as Skype or WhatsApp. Not only is this an option but please do not neglect your time in fellowship with the Lord. Remember the Church is not the building but the people that reside inside of it.

During this time please feel free to reach out to the office via email, ourchurchemail@gmail.com, or via phone at 951-845-1506.

In His Name,

Rev. W. Scott Mason
Pastor

R. Fernando Salcedo
Pastoral Assistant
