He is also a Registered Trade Mark Agent in Malaysia.

He has represented clients including international and local banks, multi-national corporations, public-listed companies, private limited companies and prominent individuals in arbitration and at all levels of the courts including the apex court, the Federal Court. Jit Kiong has worked together with a renowned retired Federal Court Judge Dato' Seri Gopal Sri Ram in several complicated disputes involving claims exceeding hundreds of million ringgit, one of which involved the Federal and State Governments.

Jit Kiong has extensive experience in compulsory land acquisition cases both at the land office enquiries and High Court land references. In one of Jit Kiong's recent landmark cases which was reported in the Malayan Law Journal as [2014] 2 MLJ 63, he successfully argued at the Court of Appeal in which the appellate court reversed the judgment of the High Court in a claim for breach of trust by the beneficial owner of shares in a company against the nominee shareholder.

He was also widely reported in the media (Malaysiakini, Malay Mail Online) in the trial of a public interest suit in which he successfully defended a committee member of a well-known NGO at the High Court and the Court of Appeal.

Jit Kiong is well-sought after as lead counsel for firms of solicitors for complex and complicated disputes. He served as a member of the Bar Council Court Liaison Committee from 2013 to 2016.
