

YEAR 3

HOME LEARNING

Hello Year 3,

We find ourselves learning at home for another week and we hope that you are enjoying the challenges and activities that we have set so far. As this Friday we are celebrating VE day, which is 75 years since the end of the Second World War, we decided to do some whole school activities. Therefore, we have not set subject specific activities other than Maths and English, instead please look at the VE day activities sheet on the Year 3 tab and complete as many or as little as you would like over the week.
