

Bookkeeping and Accounting Clerk Training Program PLUS

The Bookkeeping and Accounting certificate program teaches skills in manual and computerized accounting and bookkeeping functions, including preparation and maintenance of ledgers, journals, and adjusting closing entries, basic financial statements, cash and banking procedures, payroll, and accounts payable and receivable.

Please call to discuss financial options:

RIC Outreach Programs are available to qualified students in need of training and employment, including clients of the Rhode Island Department of Labor and Training (DLT), the Department of Human Services Family Independence Program (DHS), and the Office of Rehabilitative Services (ORS). Other potential funding sources may apply. Workforce and Innovation Opportunity Act funded training may be provided only to individuals who qualify for the program, and only if funds are available.
